OVERVIEW

In addition to its prescribed reporting requirements, the Government provides detailed information on particular assets and liabilities. This Section addresses the information and reporting requirements with regard to financial interests in companies, corporations, joint ventures and trusts, of the Territory or an Agency.

STATEMENT OF INTENT

- 2.4.1 This Section provides a framework and minimum control requirements regarding recording and reporting of financial interests in companies, corporations, joint ventures and trusts of the Territory or an Agency, to assist Government in managing its potential exposures.

REQUIREMENTS FOR ACCOUNTING AND PROPERTY MANUALS - *refer Part 3 Section 1*

- 2.4.2 Accountable Officers are responsible for incorporating in their Agency's accounting and property manual, procedures and appropriate controls relating to:
 - identification and reporting of financial interests in companies, corporations, joint ventures and trusts; and
 - entities in which the Territory or the Agency has a controlling interest;

FINANCIAL INTEREST

- 2.4.3 A financial interest is any financial relationship where there is, or is intended to be a degree of ownership or control of an entity (ie acquisition of voting shares, both minority and controlling interests, or active participation on the board) where that interest is held directly by the Territory, an Agency, or by an employee on behalf of the Territory or an Agency.
- 2.4.4 For the purposes of this section, corporation refers to any body with a separate legal identity and includes such entities as statutory corporations, body corporates and incorporated associations. Statutory corporations which are Agencies for the purposes of the Act are excluded.
- 2.4.5 Accountable Officers shall ensure that Cabinet approval is obtained prior to the acquisition of a financial interest.
- 2.4.6 Agencies shall maintain details, as outlined in Appendix A, for inclusion in the Register of Companies, Corporations, Joint Ventures and Trusts, of all such entities in which the Territory or the Agency has a financial interest.

- 2.4.7 Accountable Officers shall provide to Northern Territory Treasury, when requested, full details of any financial interests in companies, corporations, joint ventures and trusts.
- 2.4.8 Accountable Officers shall provide to Northern Territory Treasury the value of the initial investment, and the market value of the equity holding as at 30 June each year, of any investments in corporations, trusts, joint ventures or similar entities of the Territory or the Agency on an annual basis as requested (refer Part 2 Section 3 of these Directions).

CONTROLLING INTEREST

- 2.4.9 A controlling interest of the Territory or an Agency, being the capacity of the Territory to influence the activities of an entity, arises if an Agency or a Minister:
- (a) controls the composition of the board or other governing body of the entity;
 - (b) is able to cast, or control the casting of, more than one-half of the maximum number of votes that might be cast at a general meeting of the entity;
 - (c) holds more than one-half of the equity in the entity (excluding any part of that equity carrying no right to participate beyond a specified amount in a distribution of either profits or capital); or
 - (d) controls the entity by virtue of statute.
- 2.4.10 Accountable Officers shall ensure that the guidelines at Appendix B for controlling interests in entities are followed.

APPENDIX B

GUIDELINES FOR CONTROLLING INTERESTS IN ENTITIES

Controlling interests of the Territory or an Agency shall be undertaken in accordance with the following:

APPROVAL

Cabinet approval shall be obtained for the creation or acquisition of a controlling interest in an entity.

STATEMENT OF OBJECTS

- (a) Any entity in which a controlling interest is held shall create a document to be known as the Statement of Objects which specifies the purposes (objectives, charter) of that entity;
- (b) the Statement of Objects and any amendments thereto shall be submitted to Cabinet by the relevant Minister for approval; and
- (c) the Statement of Objects shall contain a limitations clause, the effect of which is to restrict the powers of the entity, such that these do not exceed the powers of the relevant Minister.

FINANCIAL REPORTING

- (a) Company: a company including a corporate trustee, in which a controlling interest is held, shall produce financial statements in accordance with the requirements of Corporations Law;
- (b) Corporation or Trust: a corporation, unincorporated trustee and board of trustees of a trust shall prepare financial statements in accordance with Australian Accounting Standards, or as otherwise determined by the Treasurer;
- (c) Joint Venture: an Agency or the Territory as party to a joint venture shall prepare financial statements in accordance with Australian Accounting Standards, or as otherwise determined by the Treasurer;
- (d) where an entity in which a controlling interest is held, produces an annual report, that annual report should be tabled in Parliament by the relevant Minister; where an annual report is not tabled in Parliament, audited financial statements of the entity shall be included in the annual report of the relevant Agency; and
- (e) financial statements of an entity in which a controlling interest is held, shall include any additional financial or related information deemed by the relevant Minister to be necessary for reporting to Parliament, however a Minister shall not be required to report to Parliament, matters which he/she considers to be commercially confidential.

AUDIT

- (a) Any entity in which a controlling interest is held shall appoint an auditor;
- (b) under section 28 of the Audit Act, the relevant Minister may appoint the Auditor-General as auditor; Cabinet approval shall be obtained for this appointment; and
- (c) in performing audits of entities in which a controlling interest is held, the Auditor-General shall take into consideration the requirements of these guidelines, in relation to financial reporting.

STATUTORY RECORDS

Appropriate statutory records and registers shall be maintained for any entity in which a controlling interest is held.

OTHER REQUIREMENTS

- (a) Where equity in an entity is held by an employee on behalf of the Territory or an Agency, the equity shall be held in trust for the relevant Minister; and
- (b) where the Territory or an Agency has the capacity to make appointments to the board or other governing body of an entity, such appointments shall be approved by the relevant Minister.
